Academics/Grading/Communication Policies for all Core Junior High Classes:

- **Agendas** with assignment info will be stamped daily by core teachers
- **Google Classroom** - Each class will have its own Google Classroom with agendas and homework assignments. You can be invited into your scholar's google classroom
- **Homework**— Homework will typically be due by the following class period.
- **Late/absent work** - Late/absent work will typically be accepted by the following class period.
- **Test retakes**— not allowed per the Heritage System
- **Weekly newsletter** - Please check for upcoming test/project dates
- **Powerschool** - Please check Powerschool weekly for current grades and comments
- **Issues/Concerns/Absences** - Have your scholar email their teacher immediately

Behavior:**Citizenship Points: (maximum 10% of total points/quarter)**

Citizenship points will be entered into Powerschool the first week of school.

Points will be deducted from that grade each time a scholar does not self-govern.

When points are subtracted from Powerschool, there will be a reason in the comment section.

Scholars will lose points for:

Being tardy - Must be in seat with all necessary materials ready to begin

Being unprepared for class

Dress Code Violation (clothing or hair)

Phone policy violation— must be turned off and in backpacks

Having Gum/food in class

Using inappropriate language

Inappropriate behavior during class

Bathroom Passes- Scholars receive 1 pass for each quarter w/6 passes. Passes will be handed out in English class at the beginning of each quarter. Pass will be used for all core classes. Teachers will mark off bathroom usage on the pass if it is used during their classtime. If they use more than 6 or lose it, citizenship points will be lost for each time they use the restroom.

*For those with medical issues requiring more frequent bathroom usage, please contact Administration so teachers can be notified.
